About PULSE

Professionals United for Leadership and Social Enrichment, PULSE, is a Leadership Development program of the Greenville Chamber that provides young professionals (ages 22-39) with outlets for social connection, as well as professional and leadership development opportunities for young talent. The program consists of monthly events for its members, ranging from seminars on topics of interest to young professionals to purely social networking opportunities. PULSE activities serve to connect young professionals to the community and provide them with meaningful opportunities to interact with others in their age group, as well as with business and community leaders.
