Ben Haskew: President & CEO | Greenville Chamber
Marion Mann: Senior Marketing Manager

LEADERSHIP GREENVILLE NAMES CLASS 38

Leadership Greenville is the Chamber's premier leadership development program designed to help develop informed, committed and qualified leaders for Greenville County. By taking an intensive look into the issues affecting the area, Leadership Greenville prepares and motivates participants to provide quality, dynamic leadership. The program has graduated over 1,700 alumni since 1973, many of whom have served in key positions, including city and county council, school board, members of Congress and judges.

The participants below were selected through an application process based on their involvement in the community and their ability to set and achieve high personal goals. This month, they will embark on a 10-month journey to discover the inner-workings of our area, including Managed Growth and the Economy, Quality of Life, Human Services, Local Government, Justice, Education and State Government.
